

FIRE ROSE

5000

NIC SALTS

READ ALL OF THIS INFORMATION LEAFLET CAREFULLY BEFORE YOU START USING THIS PRODUCT

This product is intended only for adult smokers. This product is not recommended for non-smokers, young people (under the age of 18), pregnant or breast-feeding women and those experiencing general ill health.

INTRODUCTION

- Nicotine Salts is a specific formulation of nicotine used in low wattage devices.
- Nicotine Salts offer high nicotine strength and are available in 10mg and 20mg.
- Nicotine Salts are made to have a smoother throat hit even at high nicotine strength.
- Beginner users need to start using at low nicotine level.

WARNING AND PRECAUTIONS

Nicotine containing e-liquids are not recommended for:

- Non-smokers
- Young people under the age of 18 years
- Pregnant or breast feeding women, as nicotine is known to cross the placenta and to be excreted breast milk
- Those experiencing general ill health, such as heart disease, stomach and duodenal ulcers, liver or kidney problems, long term throat disease or difficulty breathing due to bronchitis, emphysema or asthma
- Those who have an overactive thyroid gland or have a phaeochromocytoma (a tumour of the adrenal gland that can affect high blood pressure).
- Those who have diabetes as nicotine may affect your blood sugar levels.

Those taking the following

medication:

- Theophylline (to treat breathing problems)
- Ropinirole (to treat restless legs)
- Clozapone (to treat schizophrenia)

INDICATIONS FOR USE

Shake well before use

1. Push the cap down and turn it anti-clockwise at the same time. Remove the cap.

2. Insert the nozzle of the bottle into the filling port of the cartridge. The nozzle width is 1.8 to 2.6mm.

3. Squeeze the bottle gently to fill the cartridge.

4. Carefully pull the nozzle out and put the cap back. Store the product in a safe and dry place.

POSSIBLE SIDE EFFECTS

If you inhale too much nicotine or use the product too much you may experience one or more of the following effects:

- Feeling faint
- Nausea
- Headache
- Coughing
- Irritation in the mouth or throat
- Dizziness
- Stomach discomfort
- Hiccups
- Nasal congestion
- Vomiting (being sick)
- Chest palpitations
- Abnormal heart rate

If you experience any of these side effects not listed in this leaflet, discontinue using this product. If the effect(s) continue after you stop use, consult your doctor or healthcare professional and bring this leaflet to their attention.

ADDICTIVENESS

Nicotine is highly addictive and is therefore intended for adult smokers only.

TOXICITY

This product contains nicotine which may produce toxic effects if consumed orally, especially in infants and children. Please DO NOT drink this product. In case it is consumed, please take this leaflet with you, and see a general practitioner immediately. In case of contact with skin, rinse immediately with cold running water for at least 15 minutes.

HOW TO STORE YOUR FIREROSE 5000 NIC SALTS
